

ADVERTISEMENT FOR CONSTRUCTION INSPECTION SERVICES

Franklin County, Pennsylvania will be accepting proposals until 11:00AM, (prevailing time), January 28, 2015 to retain an engineering firm to provide construction inspection staff consisting of one (1) TCIS inspector for construction inspection and documentation services on the following project:

Project Name:

1. Bridge No. 116 Rehabilitation ((Horse Road) over West Branch of Conococheague Creek)

The project involves the rehabilitation of the three-span stone masonry arch carrying S.R. 4004 over the West Branch of Conococheague Creek with minor approach work and other miscellaneous construction, as indicated on the approved drawings included in the bid package for Bridge No. 116 Rehabilitation on State Route 4004 Section 008 in Franklin County, Metal Township, from 0.3 miles east of the intersection of S.R. 4004 and T-560 (Creek Road) at Segment 0070 Offset 891 to Segment 0070 Offset 1322. Project duration is anticipated to be 120 calendar days.

Project construction time duration is anticipated to be from about July, 2015 to October, 2015.

The Franklin County Board of Commissioners encourages responses from small firms, minority firms, and firms who have not previously performed work for the Franklin County Board of Commissioners.
